

HOW TO PLAY

The dreidel game

נס גדול היה שם

 Nun NISHT <i>Nothing happens</i>	 Gimmel GANTZ <i>Take the whole pot!</i>	 Hey HALB <i>Take half the pot</i>	 Shin SHTEL <i>Put one in</i>
--	---	--	--

- 1 Everyone starts with the same number of gelt, nuts or sweets (10 each is good).
- 2 Everyone puts one in the middle: that is the pot.
- 3 Take turns to spin. Do what your letter says.
- 4 When the pot is empty (or has one left), everyone puts one in again.
- 5 Play until one person has everything, or until the doughnuts are ready!

In Eretz Yisroel the dreidel has פ (Po, "here") instead of ש: a great miracle happened HERE.
